Complemented by spacious waterside residences, signature restaurants, lively bars, a wide range of sports, leisure and cultural activities, Porto Montenegro was created bearing every aspect of the yacht owner, crew and guests' experience in mind. Access is easy via three nearby international airports. The closest—Tivat Airport—is only seven minutes drive away.

About PMYC pool:

In July 2011, Porto Montenegro unveiled the Lido, a 64m infinity pool designed by cutting-edge British architect, Richard Hywel Evans. The pool and lounge bar is suspended above the sea with spectacular views of the marina and the Bay of Kotor. Inspired by the region's Venetian heritage, the design mimics the timeless elegance of Porto Montenegro's residential buildings, piazzas and promenades.
